

## NEW MEXICO MLK YOUTH AMBASSADORS

The MLK Commission operates a Youth Ambassador program for students ages 14-21. The program is being expanded to include youth from cities across the state, particularly those represented by the Commission. The Commission will establish leadership/mentorship programs in each community that currently conducts MLK-related youth programs. These youth will then be eligible to participate in programs and activities of the Youth Ambassador program as well as the Annual Youth Leadership Conference. Collaboration and partnership will occur between schools, colleges, teachers, counselors, parents, students, churches and community groups in an effort to be inclusive, transparent and successful.
